

HOW TO SKIP THE PYP?

During the summer period, the Preparatory Year Program conducts several online sessions in English and Math as part of the Skip Prep Program. This program is called **KFUPM-STARs**. The main objective of the program is to provide support to all students so they will be more confident in their studies at KFUPM and have a chance to skip the program partially or completely.

Congratulations!

If you passed both the promotion exams of PEP and PMP, then you are **ELIGIBLE** to **SKIP ALL PYP courses** and become **FRESHMAN STUDENT**.

PYP PROMOTION POLICY

SKIP-PREP

At the beginning of the **1st semester**, all students who submitted valid English Proficiency Exam (IELTS/TOEFL) or passed the University TOEFL Exam and the Math002 Promotion Exam are considered eligible to be promoted to **FRESHMAN YEAR**. It indicates that all PYP courses will be **WAIVED** including the **MODULAR COURSES**.

MODEL

END OF A.Y.

By the end of **2nd semester**, students are expected to complete all PYP courses including **all 4 modular courses** (they have chosen). They are considered eligible to be promoted to **FRESHMAN YEAR**.

MODEL
3

ELECTIVES

By the end of **2nd semester**, students are expected to complete all PYP courses including **all 4 modular courses**. If in case students **FAILED** one or two modular courses that they have originally chosen at the beginning of the first semester, they **CAN** choose and complete other modular courses provided that they passed at least **4** by the end of the second semester.
